

RESIDENT INFORMATION SHEET

Your health and safety are our priority. Please notify a staff member

immediately if you experience any of the following:

- fever;
- chest pain;
- severe headache;
- dizziness;
- shortness of breath;
- high blood pressure;
- injury or bruising;
- allergic reaction;
- deterioration of mental health;
- any other symptoms causing concern.

Do not conceal feeling unwell.

Seeking help promptly helps prevent serious consequences and ensures your safety.
